WHY CHOOSE US?

COST EFFECTIVE

ACE360 provides a unique proposition to training providers in that ACE360 has **NO SETUP COST AND NO ONGOING SUBSCRIPTION FEES**. Instead, you simply pay £5+ VAT per apprentice record. We believe our product should provide a solution for the whole Apprenticeship pipeline and not just the fortunate few that can afford substantial costs of up to £60,000 + annual license fees. What does this mean for our users? **COMPLETE INTEGRATION** from learner enrolment through to Apprenticeship assessment from a system that standardises file formats between bodies.

TRUSTED

ACE360 has been created by **THE FEDERATION FOR INDUSTRY SECTOR SKILLS AND STANDARDS**. The Federation wanted to create a **READILY AVAILABLE SYSTEM** for the Apprenticeship market after **YEARS OF PROFESSIONAL KNOWLEDGE** within the field as the Certifying Authority. These **TRUSTED RELATIONSHIPS** throughout the years have allowed the creation of a system that meets the needs and answers concerns of LTPs, EPAOs & EQABs.

PAPERLESS

ACE360 offers a **PAPERLESS SOLUTION**, meaning endless piles of paper and lost documents are a thing of the past. Handling inaccurate data and rekeying information will no longer burden organisations when processing documents. Also, going paperless is a **VALUABLE CREDENTIAL** to add to a brand. This system proves to be very efficient and accessible to registered users with a very user-friendly interface.

SECURITY

DATA PROTECTION IS IMPORTANT TO US. Our parent brand, The Federation, has served the Apprenticeship market with the **HIGHEST LEVEL OF DATA SECURITY** possible. ACE360 seeks to do the same with high security, **CLOUD-BASED TECHNOLOGY** meaning free space on your computer and peace of mind that files will not go astray.
